I am beginning my 20th year of teaching and my 5th year teaching here at Thomson. I have taught every grade but 1st grade. I was born and raised here in Arvada, CO. I was inspired to become a teacher from my 3rd grade teacher! 😊

When I'm not teaching.....

I love to hike, run, travel, and do yoga. I received my yoga certification in 2010. I love sharing yoga with kids and I use it as brain breaks throughout the school day, as well as teach it as an afterschool club once a week.

Spending time with my family is really important to me. My son Evan is starting 8th grade this year! My daughter Elise will be 3 this September!
