

# THOMSON 21ST CENTURY CLUBS NEW SLETTER

March 2018

## MESSAGE FROM COORDINATOR

Thomson Families,

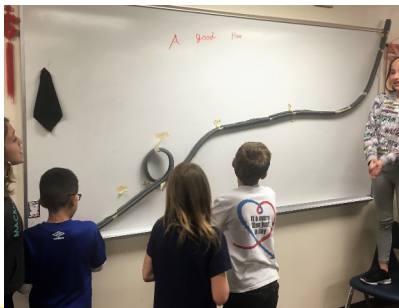

As we near our final session of clubs for this school year, I've been reflecting on all the new activities we've been able to bring to Thomson this year. Students seem to be loving their clubs and I've personally enjoyed watching the program grow over the past several months. We started the year with 30-50 participants each day and now are able to provide after-school opportunities for 60-90 of our students daily. That would not have been possible without your continued support of your students, so thank you. As we begin looking forward to next year, please don't hesitate to reach out to me with any input or feedback you may have.

~ Katie Healey

## CLUB HIGHLIGHT

### Engineering

We are so excited about our partnership with the CSU 4-H Extension office. Students have been busy building roller coasters, airplanes and boats, and then putting their creations to the test. Check out one student-made roller coaster below!

## WHAT'S COMING

Selection sheets for session 4 went home in Friday folders on March 1st. Please contact Katie or the main office if you did not receive one. We will also be offering summer programming in July. Stay tuned for more information on summer registration.

## IMPORTANT DATES AND INFORMATION

### 03/13/19: Registration Due

Session 4 registration sheets are due.

### 03/14/19: Schedules Go Home

Your student's club schedule will go home in Friday Folders on the 14th as we do not have school the 15th. Please be sure to check their folders.

### 03/18/19: Session 4 Starts

Session 4 of clubs begins on Monday, March 18th.
