

# THOMSON 21ST CENTURY CLUBS NEW SLETTER

November 2019

## MESSAGE FROM COORDINATOR

Thomson Families,

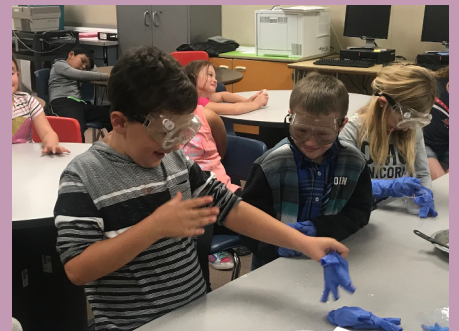

2019 - 2020 clubs are off to a great start! This year we have added a lot of new teacher-led clubs, including sign language, LEGO club and Student Council. It's always so fun to see students learn new skills, as well as build upon what they are learning during the school day, so thank YOU for your continued support of this program. We're looking forward to a great rest of the year!
